Hazmat Ops National Certification Testing (NFPA 472)

The Office of Fire Prevention and Control is accredited by the National Board on Fire Service Professional Qualifications (commonly known as "The Pro Board") to certify individuals who have met the requirements of the professional qualification standards established by the National Fire Protection Association (NFPA). National certification serves as validation that an individual's training, knowledge and skills meet nationally recognized standards and, by doing so, improve both the application of standardized qualification levels and the recognition and acceptance of training across jurisdictional boundaries. Individuals may access the Pro Board's Certification Registry to verify their national certifications via the Certification Search link on the Pro Board's web page here: www.theproboard.org. Note: Hazmat Ops National Certification is a prerequisite for taking Hazmat Technician National Certification Testing.
